## Donahue Enters Race For Public Works Board Post, Blasts Group Caucus Plan

### Hospital Asks For Donations

Five-bed wards, the rule at our Symmes Hospital, is one of the pleasant conditions for patients. It has been definitely established that small wards are more conducive to the comfort and recovery of patients than the resulting confusion of larger wards. There are separate five-bed wards for women, for men, for boys, and for girls. All the wards have been arranged to give plenty of air, light and sun. In addition to the five-bed wards, there are cheerfully appointed private, and semi-private rooms.

During a tour of the Hospital, in connection with the Completion Fund Drive, we noted the quiet contentment of the patients. Not one person, particularly among the children, appeared to be unhappy or disgruntled.

We are telling you these interesting things about Symmes Hospital, because we want you to know just what YOUR HOSPITAL means to our community, and to seek your assistance in the realization of the Completion Fund Drive.

### Late Bulletin

A wallston resident was treated for a head injury at Police Headquarters after he successfully fought off two hitchhikers who assaulted him in an attempt to rob him last night.

Police withheld the victims name but said the bandits were about 20 and 27 wearing army type clothing.

It is believed they headed for Cambridge, police of surrounding towns assisted in an hour long hunt for the culprits.

## Hearing On Town Manager Plans At State House

The State Committee on Towns, of which Representative Henry E. Keenan of Arlington is a member, has been very busy this year considering petitions from many Massachusetts towns for a change in their form of town government.

Soe of the citizens of Saugus, on Tuesday of the past week, presented several petitions relative to further changes in its Town Manager form of government. On Wednesday, the full Committee traveled to Amherst to attend a public hearing on the petition of that town to establish a Town Ma-

James W. Donahue, 56 Foster st. took out papers for the vacancy on the Board of Public Works upon hearing of the withdrawal of Frank J. Hughes a previously announced candidate for the position. Mr. Donahue's entrance into the race means that there will be competition for the three year post being vacated by John L. Murphy, retiring board member.

Mr. Donahue, a building estimator and fire adjuster, for a group of Boston Insurance companies, is a veteran of nearly six years of Army service where he served as an artillery captain. The father of three sons, he is a graduate of Holy Cross in the class of 1937 and studied at Boston College Law School after his army service.

Active in several local organizations, James Donahue is a third degree knight in the Knights of Columbus and a member of the "A" post of the Knights of the Sons of Foreign Wars.

After presenting his qualifications to the Voters' Council, Mr. Donahue expressed dissatisfaction with their method and timing of endorsing so called "qualified candidates."

"I am opposed," he stated, "to pre-selection and endorsement by non-representative pressure groups that obviously arrange their procedure to scare out 'un-chosen' candidates. Their existence," he continued, "deprive the voters of their full right to choose between all the candidates who are willing to serve and capable of serving well."

"My opposition to caucus chosen candidates," he added is coupled with my belief that a small group of business associates should not have virtual or absolute control of the government of our town."

nager form of government. Next week the Committee will attend a public hearing in the town of Swampscott.

On January 30, a public hearing will be held at the State House on the proposal to set up a standard form of selectmen-Town Manager form of government. Representative Keenan indicated to the Arlington Press that there is apparent a movement among towns in the Commonwealth to streamline and coordinate the form of government within their respective communities. The Representative urged hat those interested in a change of the Arlington form of town government should attend the public hearing at the State House on January 30. Many representatives from various towns will attend and will express views on a streamlined form of the Selectmen-Town Manager Plan.

## Six Injured In Crash On Concord Turnpike

Six men were injured, two placed on the danger list at Symmes Arlington Hospital, following a three car collision on the Concord Turnpike at Appleton st. late Saturday afternoon.

Placed on the danger list with fractured skulls and multiple cuts and abrasions were: John Canavan, 167 Hampshire st., Cambridge; and Bernard Webb, 1768 Dorchester ave., Dorchester, an airman attached to the Army Air Forces at Bedford.

Held for treatment but released Sunday morning was Anthony Peters, 1362 Columbus ave., Roxbury; possible fracture of the right knee, serious cuts and abrasions.

Three others were treated but released Saturday night; Leonard Moniz, 20, 121 Inman st., Cambridge; and Emanuel Souza, 21, 57 Tremont st., Cambridge.

Raymond A. Leeman Jr., 3

Golden ave., Arlington was shaken up but was not hospitalized.

Leeman, the operator of a coupe, had stopped his car on the Pike, headed toward Lexington, to make a left turn into Kent lane, when according to Police, the Canavan car which was proceeding toward tion, smashed into the left rear of the coupe.

Police said the Canavan car careened off the back of the Leeman car into the on-coming lane smashed head-on into the Webb car which was proceeding toward Boston.

The Webb and Canavan car were completely wrecked, and Lexington fire apparatus responded to wash gasoline from the street.

Police of Belmont, Lexington and Arlington worked for over an hour to clean up the traffic jam which resulted from the crash.

## Greeley Announces Candidacy For Board Of Public Works

Joseph P. Greeley of No. 10 Farmer Road motivated by the insistence of his many friends in the Town decided early this week to seek the office of Board of Public Works.

He has lived in Arlington for 35 years and is exceptionally well qualified for this Board. Mr. Greeley has been employed for 25 years in an executive capacity by a large utility company serving

the New England area. He feels that the wealth of experience gained in this position will be invaluable to him in administering to the needs of the townspeople.

Joseph P. Greeley enlisted in the Navy during World War II and at its conclusion purchased his present home on Farmer Road where he resides with his wife and young family.

## Local Man Arrested With Trio For Warehouse Theft

Four men, including one from Arlington, were arraigned in East Cambridge District Court, Wednesday morning, charged with larceny of an estimated \$20,000 worth of household appliances from the R. H. White Co., warehouse.

Frank DeCampo, 34, of 16 Dorothy rd., Arlington; Thomas F. Burns, 26, of Washington st., Charlestown; Frank Kramer, 34, of Boston; and Anthony A. Fusto, 25, of Everett st., East Boston pleaded not guilty to the charges listed by Cambridge police and were released on bail following continuance of their case.

Detective Sergeant Timothy J. Toomey of Cambridge, who has worked on the case for six weeks, estimated that about \$20,000 worth of merchandise had been taken from the warehouse during the past two years. More than \$2000 worth was recovered.

Lieutenant Charles Toomey and officer George Alexie of the Arlington police assisted the Cambridge detectives in removing some of the alleged stolen articles from the DeCampo home early Tuesday morning.

Three of the defendants, all married and with no previous police records pleaded not guilty to the charges set forth.

Mr. Murphy told of the splendid support and interest of all the groups in Waltham in backing the new Boys Club.

Action on a proposal to change the By-Laws of the Arlington Boys Club—to allow enlargement of the Board of Directors—was the last item on the agenda and it won approval. New Board Members will be added at an Executive Committee Meeting in the near future.

## Sixty-three Articles In Warrant: Raises Big Issue

Entrance of two new candidates into the contest for Commissioner of Public Works, and a blast by one of them against the so-called "minority caucus" system in vogue in Arlington were political highlights this week. Articles to appear in the town warrant also were listed, with 63 to attract the interest of the 1951 voter.

James W. Donahue of 56 Foster street and Joseph P. Greeley of 10 Farmer road, have taken out nomination papers for the Public Works board. The announcement followed the withdrawal of Frank J. Hughes, who had previously been listed as a candidate, and makes the field a three-way competition.

Mr. Donahue, in a statement to the PRESS regarding his candidacy, took a vigorous blast at one of the so-called voter's groups which endorse slates of candidates, rejected to their methods and timing in naming a slate, and felt in Arlington. He said that he objects the voters should be allowed to select candidates from those in the field without this type of interference.

**WARRANT RELEASED**  
The town warrant, copies of which were released Wednesday morning at the town hall, contain many requests for sizeable appropriations, although the total amount to be requested was not revealed.

A proposal to amend the classification plan to provide salary increases for practically every town employee is included under Articles 6, 8, 9, 10, 11, while changes in the amounts of pensions and retirement allowances in included under Article 12 and 13.

An appropriation for civilian defense, a change in the manner of assessment of the town's share of the Middlesex sanitarium cost; in-

creases for the board of selectmen; requests for streets, sewers, water mains, storm drains, sidewalks and edgestones; construction of 13 streets; acquisition of land for a Branch Library; demolishing of the Industrial Arts school building; alteration, improvement, or reconstruction of the Russell School; construction of an addition to the Robbins Memorial Town Hall; central garaging for town vehicles; ornamental and additional lighting during the Christmas season; all these are measures which affect the tax payers pocket-book.

The Town manager form of government and routine measures run out the 1951 warrant.

## Mitchell To Head Civic Association

On Monday evening January 22 the East Arlington Civic Association met at the Hardy school to elect officers for the coming year. After preliminary discussion and

completion of nominations, the following officers were unanimously elected:

President, John E. Mitchell Jr., 12 Palmer street. Vice President, Caesar Fiorenza 82 Marathon st. Corresponding Secretary, William J. O'Brien Jr., 319 Mass. Ave. Recording Secretary, Joseph Gabriel, 38a Fairmount st. Treasurer, Donald Munro, 35 Brooks Avenue.

The election was followed by the installation of Mr. Mitchell, who presided over the balance of the meeting. There were several suggestions of improvements needed in East Arlington and most members agreed that there was a lack of safe skating facilities in the East Arlington area. Children wishing to skate are forced to cross several hazardous streets in reaching skating areas in other parts of Arlington.

The need for a light controlling traffic at Broadway and North Union st. was presented and one member pointed out that there has been agitation for a pedestrian controlled light at this intersection for over a year. The need of a

## Hughes Out Of Contest For Public Works

In a letter to the Arlington Press, Frank J. Hughes, prominent plumbing and heating contractor, of 166 Franklin Street, announced the withdrawal of his candidacy for the Board of Public Works.

"I wish to announce my withdrawal as a candidate for the Board of Public Works in the forthcoming election."

"At the time I took out my nomination papers for this important Board, I felt I would have the time to devote to the duties of the office. However, in the past week I have lost the service of two key men in my firm to the army and because of illness, I now feel I shall have to devote more time and energy to fill the void caused by this loss, and therefore would not have the necessary time due the Public Works."

"I wish to thank all those who rallied to my support when I announced my candidacy and sincerely appreciate the time and energy they devoted to my cause."

Sincerely yours,  
Frank J. Hughes

## Stoneham Upsets Arlington Hockey Team At Arena, 2-1

The top place Arlington high hockey team, sunk into third place Saturday afternoon as they dropped a heartbreaker to a battling Stoneham high, 2-1 before 2337 fans at the Boston Arena.

Arlington outplayed, outskated, and outtumbled a Stoneham high which played a most unorthodox game. This unusual form portrayed by the Stoneham club was probably a great factor in their win as the inability of Arlington ace, Knobbie Timmons to put on his usual show, Timmons was ill during the entire game although he stayed on the ice for the three periods.

Cambridge Latin and Melrose rolled into a top place tie both winning their games and Arlington dropped one point behind them in third place.

Arlington and Melrose meet Saturday at 12:30 at the Boston Garden in a contest for playoff positions. The attendance at the games has been poor. Arlington rooters should attempt to be there to assist in pushing the skaters into top place.

## No Score

In a rip-roaring first period, which saw Arlington inside the Stoneham blue line for seven of the ten minutes there was no score and no penalties.

D'Entremont, Stoneham goalie, made eight saves, two of them beauties attempting to stave off

the Arlington offensive.

Morgan of Arlington was required to make only five saves, one of them a great catch.

Knobbie Timmons saved the day for the home club when he broke up an attack by Wanamaker of Stoneham who came in alone on a breakaway during the final seconds of the period.

## More of The Same

In a battle which defied the experts Arlington, still carrying the tilt, could not score against a fighting Stoneham club.

Arlington pegged eleven shots at the Stoneham nets each one of them stopped by a whisker. The Arlington net-tender made seven halts, one about eight feet outside the nets, falling on the puck saving a score.

## Stoneham Wins

Last place Stoneham high roared onto the ice in the third period and took over.

The first goal was scored at 1:42 when an Arlington ice man over shot a puck behind the Arlington nets allowing Wanamaker of Stoneham to fire out to Barney who shot it over Morgan's left shoulder for the light.

The second marker went up as Higgins attempted a break away from behind his own blue line only to lose the puck to Wanamaker who slated in alone and sunk it at 4:40.

Arlington's only goal was scored by Bill Vassill who broke away, sailed over the blue line into Stoneham territory, battled off four men and hit the nets right through the goalie legs.

## Local Quintet Loses To Waltham By 44-39 Score

Another stiff basketball battle went the wrong way here last Friday afternoon, when the Arlington high school quintet dropped a 44-39 decision to Waltham high in a Suburban League game.

A 23 point performance by Kirsch, big Waltham center, was too much for the local team. Swanson sank 15 for the locals, but six points was the best any of his teammates could contribute to the cause.

## Still a bargain

Doubled In Value — Low In Cost!

Take a look at your telephone bill. In ten years on the average many things you buy have more than doubled in price\* but not telephone service.  
Remember lamb at 29¢ a pound... eggs at 35¢ a dozen? Remember coffee at 20¢ a pound? Today you get the same pound... the same dozen... and look at the cost!

But your telephone pound — dozen — however you want to measure it — has more than doubled — and the increased cost is but a few cents a day.

Here's a household necessity that actually gives you more — yet takes a much smaller percentage of your household budget than it did ten years ago. That's because living costs have gone up much more than your telephone service.

Two priests of the Boston Archdiocese, the Rev. Frederick Manus, secretary of the Archdiocese Tribunal, and the Rev. Albert Low, Assistant Supervisor of Diocesan Schools, who have been collaborating in demonstrations of this sort with extraordinary success, will conduct the presentation. As the demonstration has proved highly interesting elsewhere both to Catholics and non-Catholics alike, a cordial invita-

the international aspect of the fair will be a floor show of Greek, Spanish and Mexican dances by Boston students in authentic costumes.

Chief attraction at the fair will be the internationally-labeled rummage sale booths, offering everything from kitchen gadgets to men's shoes at bargain prices. Packages to be bought by postmark rather than knowledge of their content will be on sale at a world-wide post office on the first floor.

On both Sunday mornings the young people will have full charge of the services. Rev. Lewis Williamson will be their "guest speaker" for the first Sunday, Jan-

uary 28th, and Ed Clark the speaker for the second Sunday, February 4th. Those participating in these morning worship services are: Nancy Cox, Bruce Spaulding, Eleanor Prescho, Roger Spencer, Barbara Prescho, Arthur Claire, Priscilla Symington, Joan Williams, Bob Hough, Patricia Abbott, Priscilla Hoyt, and Gordon Bretscher.

Sunday Evening, January 28th at 7:00 p. m. Mr. Harry Patterson, Vocational Guidance Director at Arlington High will speak and lead a discussion on "Where Do We Go From Here" followed by a film on college life entitled "The Difference". The Jr. High Fellowship will conduct the worship service.

Wednesday Evening at 6:30, January 31st, the young people will gather at the church Social Hall at 6:30 for a Box Lunch

Supper and an evening of visitation.

Friday Evening at 6:40 is the Youth Banquet, a turkey dinner a formal program, planned entertainment and games for the evening. This promises to be a really special evening with Don Higgins the "MC" for the banquet.
